COVID-19 UPDATE FOR MONTGOMERY COUNTY

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Emergency Management, can confirm Montgomery County now has 63 positive cases of COVID-19, an increase of 16 from yesterday. Some big news today we are happy to share is our Case #2, who was previously hospitalized in critical condition, has been released from the hospital! She will continue her recovery at home.

This is just a reminder that moving forward, we will update cases here: https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/.

The chart will be updated daily by 3:00 p.m. Right now, we have 368 negative results and 169 pending tests.

Montgomery County Public Health District's mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness. For more information about the Montgomery County Public Health District please go to www.mcphd-tx.org.
