COVID-19 DRIVE-THRU IN MONTGOMERY COUNTY

MONTGOMERY COUNTY—Montgomery County Public Health District, in conjunction with Montgomery County Hospital District, wishes to clarify our statement regarding a drive-thru testing site in Montgomery County. We understand that many community members may desire to be tested. America's ER is working to meet the needs of those citizens who wish to be tested, even if they may not currently show signs and symptoms of being COVID-19 positive. If you wish to be tested, America's ER is one of several locations that may be able to test you and is planning to set up a COVID-19 drive-through testing facility in Montgomery County.

If you have questions about being tested or qualifying for testing based on your symptoms or testing site availability, you may check the Montgomery County Public Health District website and click information on COVID-19 SCREENING, or call the Public Health/MCHD hotline number

Montgomery County Public Health District's mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness. For more information about the Montgomery County Public Health District please go to www.mcphd-tx.org.
