MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can confirm we remain at high levels of active COVID-19 cases in Montgomery County, but we are starting to see cases decline.

Have you been vaccinated for COVID-19? We strongly recommend it. Even if you contract COVID-19 after vaccination, the chances of severe illness, hospitalization and death are low. Just 56 percent of eligible Montgomery County residents are vaccinated. Need to find a vaccine? Click here for additional vaccine sites: <https://www.vaccines.gov/>.

Today, we can also confirm four additional deaths related to COVID-19.

- A woman in her 40s, from Porter, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19. She was not vaccinated.
- A man in his 50s, from Splendora, died in the hospital. There were no comorbidities noted in his medical records. He was not vaccinated.
- A woman in her 70s, from Montgomery, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19. She was not vaccinated.
- A woman in her 70s, from Porter, died in the hospital. There were no co-morbidities noted in her medical records. She was not vaccinated.

We can also confirm:

- TOTAL cases of COVID-19 increased by 647 to 83,476 since Monday's (9/20) report.
 - Of the 647 new cases, 73 are under the age of 12 and not eligible for vaccination.

COVID CASES IN CHILDREN 0-11 Years of Age

- ACTIVE cases of COVID-19 decreased by 472 to 10,831 since Monday's (9/20) report.
 - Today, we accounted for 1,051 additional inactive cases who we have been unable to contact for 30 days or more.
- 376 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.
- 32,184 people have clinically recovered.

The Testing Positivity Rate for Montgomery County remains at 18%, down from 19% on Friday.

Have a question about COVID-19? You can reach the Montgomery County COVID-19 Call Center at 936-523-3916. It is open Monday-Thursday from 8:00am-4:30pm and Friday 8:00am-4:00pm.

Do your part to slow the spread of COVID-19. The best way to protect yourself and those around you is to be vaccinated. You should also:

- ***Avoid groups of people.***
- ***Practice social distancing.***

- *Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.*
- *Wash your hands or use hand sanitizer frequently.*
- *Disinfect surfaces in your car and around your home.*
