MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, can confirm there are now 350 total positive cases of COVID-19, up 19 cases from yesterday. If you would like to be tested for COVID-19, please contact the MCPHD/MCHD COVID-19 Hotline at 936-523-5040. Our center has a list of testing sites to share with those who are interested.

If you have a question regarding the stay at home order, including questions regarding essential businesses and activities, please call the COVID-19 Hotline set up by the Montgomery County Office of Homeland Security and Emergency Management at 936-523-3916.

Details on individual cases can be found here: https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/.

Montgomery County Office of Emergency Management updates a dashboard for the cases here: https://coronavirus-response-moco.hub.arcgis.com/.

Montgomery County Public Health District's mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness. For more information about the Montgomery County Public Health District please go to www.mcphd-tx.org.
