MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, is recommending all residents recommit to CDC guidelines to reduce the risk of COVID-19.

- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.
- Teach children proper hygiene and the correct way to wear a mask.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.
- As supply and eligibility increases, consider getting vaccinated.

For information and to check availability of vaccines, please visit the new Vaccination Page on the Coronavirus Hub for Montgomery County here: <https://coronavirus-response-moco.hub.arcgis.com/pages/vaccinations>.

Today, we can confirm:

- TOTAL cases of COVID-19 increased by 1,417 to 34,423 since Friday's (1/15) report. Of the 1,417 new cases, 1,415 were tested since 1/7/2021.
- ACTIVE cases of COVID-19 decreased by 1,549 to 7,402 since Friday's (1/15) report. Due to the large volume of cases accrued over the past 60 days, we will now account for additional "inactive" cases on both Tuesdays and Fridays. Today, we are adding 2,440 additional inactive cases, who are residents we have been unable to contact for 30 days or more.
- 77 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.
- 17,007 people have clinically recovered.

The Testing Positivity Rate for Montgomery County is 21%, down from 22%. This number is updated weekly on Wednesdays.
