## MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, can confirm there are now 393 total positive cases of COVID-19, up 16 cases from Saturday. It is important that all Montgomery County residents are abiding by the statewide stay-at-home order issued by Governor Greg Abbott. As testing becomes more available, we expect to see a continued rise in COVID-19 cases.

Details on individual cases can be found here: <https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/>.

Montgomery County Office of Emergency Management updates a dashboard for the cases here: <https://coronavirus-response-moco.hub.arcgis.com/>.

**Montgomery County Public Health District's** mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness.
