MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can confirm mass vaccinations continue in our county.

Please spread the word: Moderna vaccine appointments are available now through MCPHD for Monday, April 26th at Woodforest Bank Stadium in Shenandoah. All adult residents 18+ are eligible. Please register here: mcphd-tx.org. You will receive an email to schedule a second dose 3-4 weeks after your first dose.

Lone Star Family Health Center, individual hospitals, physicians' offices, and pharmacies have vaccines available to eligible populations. Please check their websites and Facebook pages for additional information. You can find a list of providers and additional information on the DSHS website here: <https://www.dshs.state.tx.us/coronavirus/immunize/vaccine-hubs.aspx>.

If you have questions regarding COVID-19, testing or vaccines, please call the Montgomery County COVID-19 Call Center at 936-523-3916. It is available Monday - Thursday from 8:00am - 4:30pm or Friday from 8:00 - 4:00pm.

Today, we can sadly confirm one additional death related to COVID-19.

- A child under the age of 9, from Conroe, died in the hospital. She had an extensive medical history and co-morbidities in addition to testing positive for COVID-19.

We offer our condolences to her family at this difficult time.

We can also confirm:

- TOTAL cases of COVID-19 increased by 24 to 51,582 since Wednesday's (4/21) report. All 24 new cases were tested since 4/8/2021.
- ACTIVE cases of COVID-19 decreased by 67 to 1,675 since Wednesday's (4/21) report.
- 109 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.
- 27,123 people have clinically recovered.

The Testing Positivity Rate for Montgomery County remains at 8% for the 2nd week in a row. This number is updated weekly on Wednesdays.
