MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, is saddened to confirm the 11th and 12th deaths related to COVID-19 in Montgomery County. The 11th death was a man in his 60s, who was a resident of Conroe. He died in a local hospital. The 12th death was a man in his 50s, who was a resident of New Caney. He was tested and confirmed positive after his death. We offer our condolences to both families.

We can also confirm there are now 404 ACTIVE cases of COVID-19. That number includes 42 hospitalizations. 146 people have fully recovered. The number of total positive cases has increased 32 since yesterday.

Details on individual cases can be found here: https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/.

Montgomery County Office of Emergency Management updates a dashboard for the cases here: https://coronavirus-response-moco.hub.arcgis.com/.
