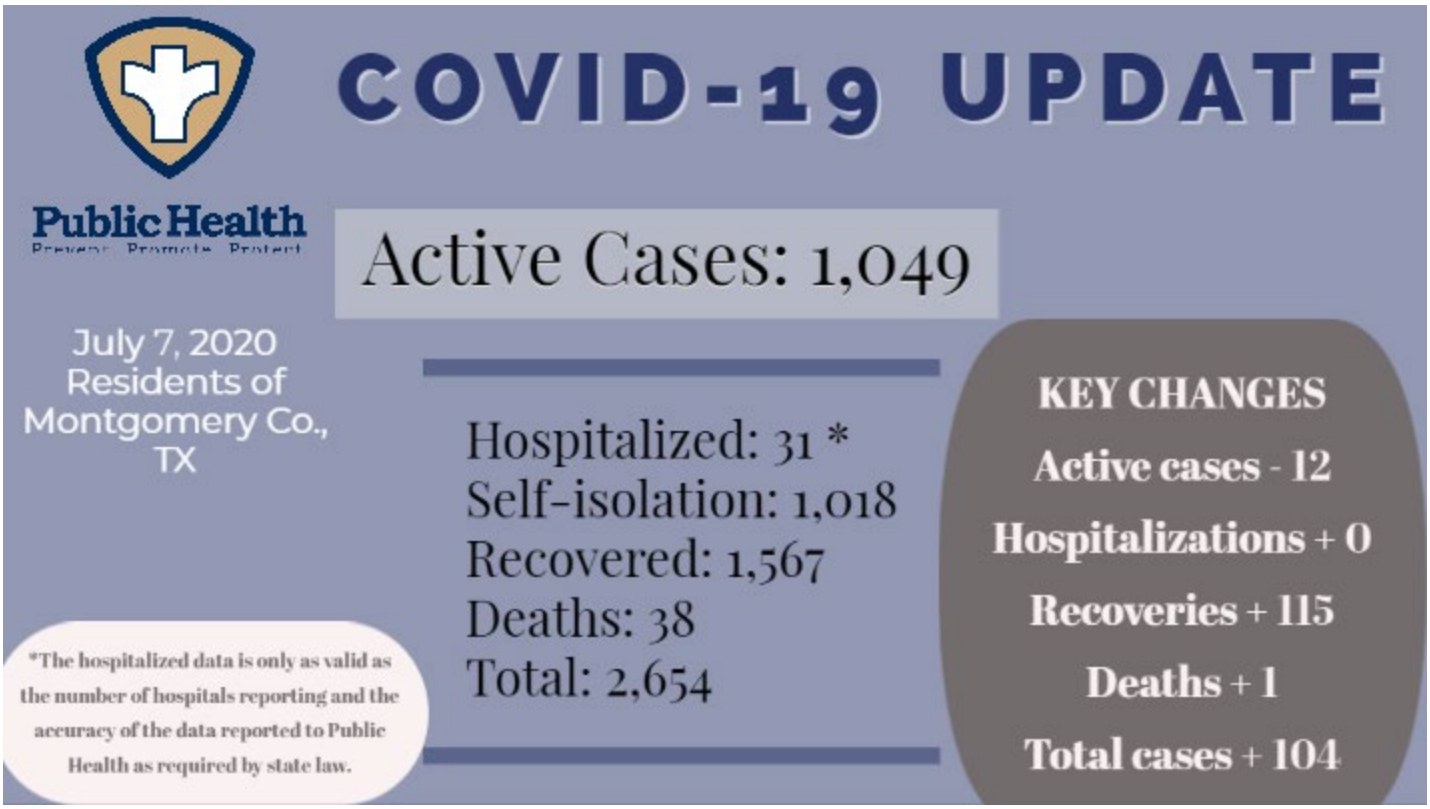
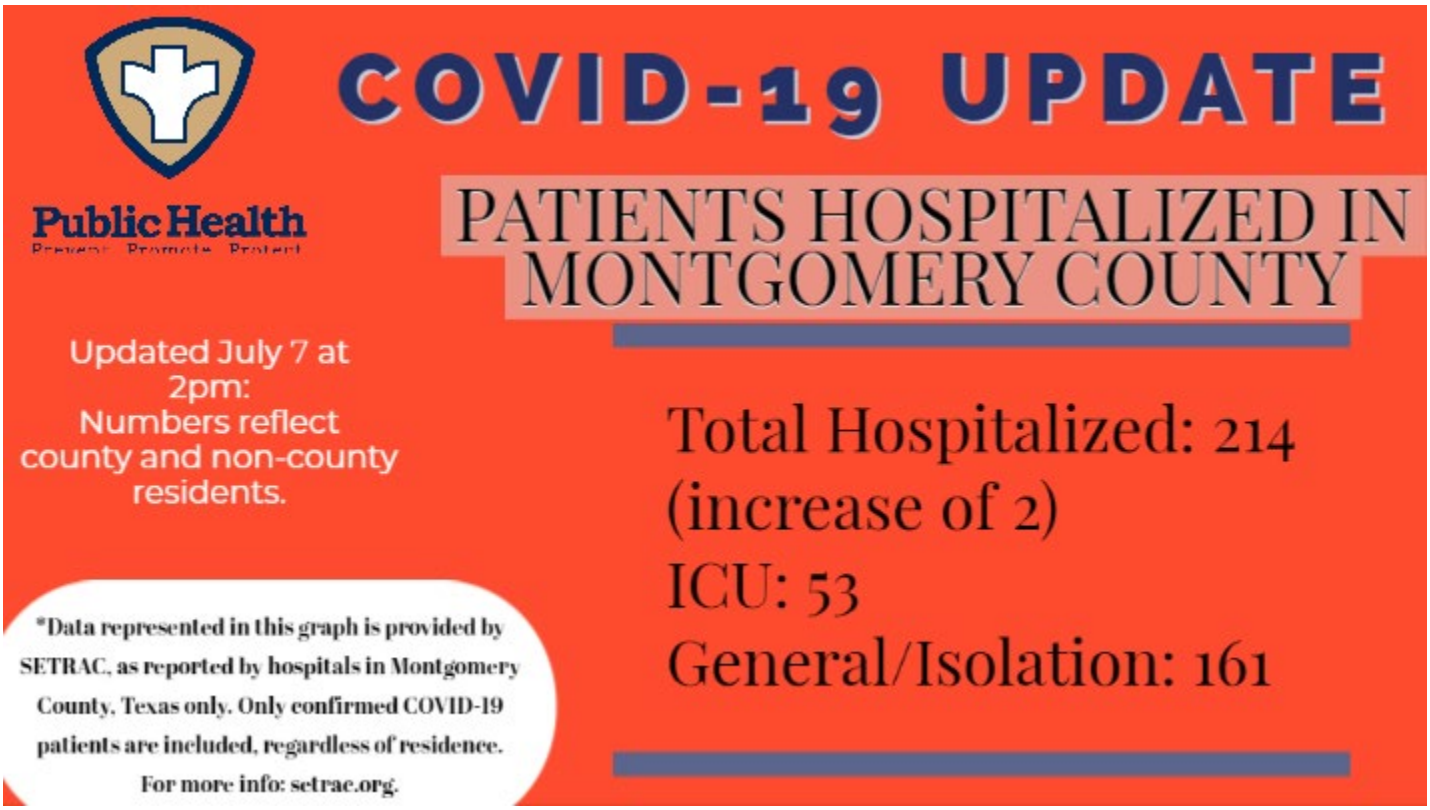
MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, is saddened to confirm the 38th death of a county resident who tested positive for COVID-19. A woman, in her 90s with multiple co-morbidities, from Conroe, died in a local hospital. We offer our condolences to her family at this difficult time.

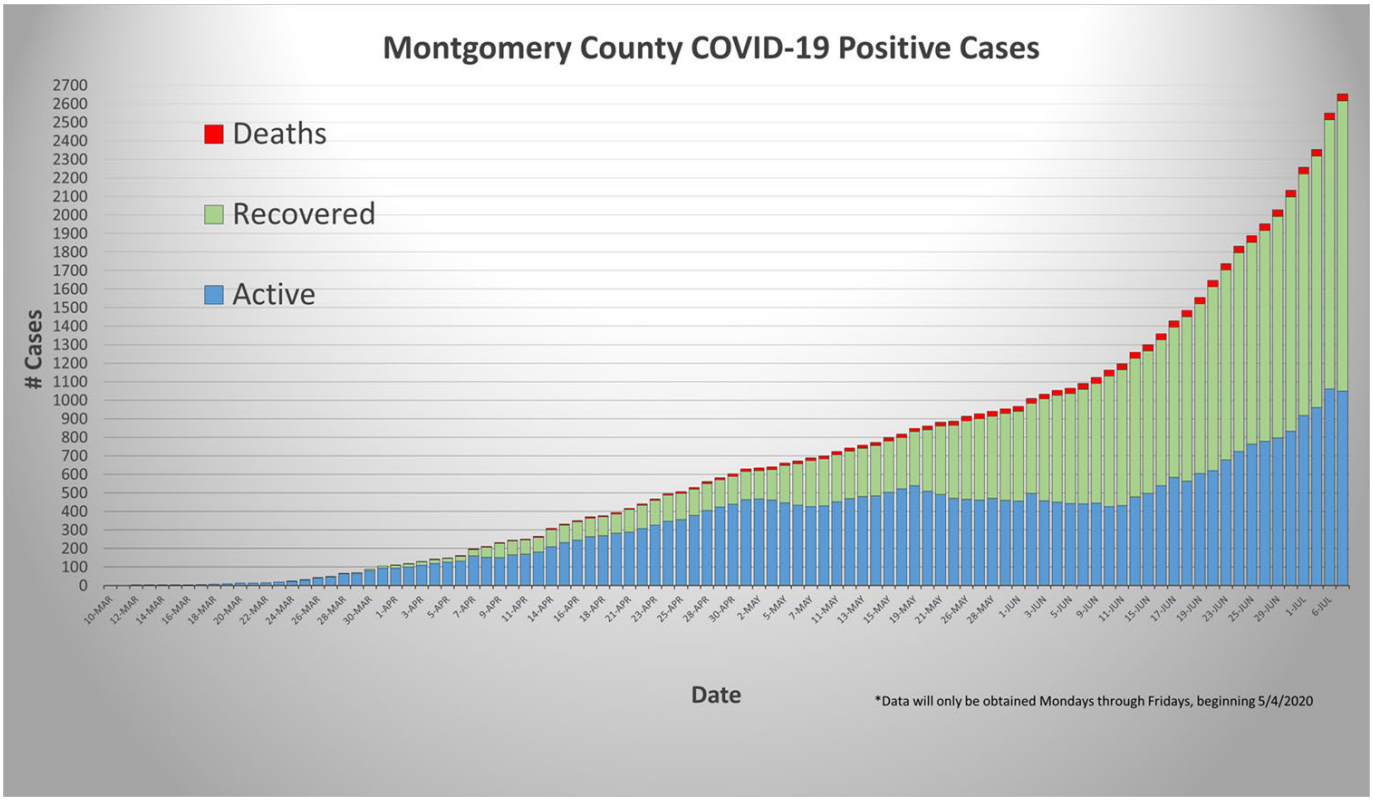
Today, the total number of COVID-19 cases in Montgomery County increased by 104 to 2,654. ACTIVE cases of COVID-19 decreased to 1,049. Of the 1,049 active cases who are Montgomery County residents, 31 are in the hospital. 1,567 people have fully recovered.

Take the steps needed to reduce the spread of COVID-19. Avoid groups of people. Wear a mask (if it is necessary to be in public), wash your hands or use hand sanitizer frequently, disinfect surfaces in your car and around your home, and practice social distancing. We have the power to keep businesses and restaurants open!





You can find more information on the SETRAC website, setrac.org.



You can view the list of case-by-case updates on the MCPHD website here: https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/. You can refer to the dashboard here: https://coronavirus-response-moco.hub.arcgis.com/.

Just a reminder, online registration is now available for COVID-19 testing through the MCPHD/MCHD voucher program. Click on "Need to be tested?" on mchd-tx.org or mcphd-tx.org and follow the instructions. Call the COVID-19 Call Center at 936-523-5040, Monday-Friday 8:00am-3:30pm, for more information.

Montgomery County Public Health District's mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness. For more information about the Montgomery County Public Health District please go to www.mcphd-tx.org.
