MONTGOMERY COUNTY COVID-19 UPDATE

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can very sadly confirm an additional death related to COVID-19, bringing the total to 97.

A man in his 50s, from Montgomery, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19. We offer our condolences to his family at this difficult time.

We can also confirm:

- TOTAL cases of COVID-19 increased by 203 to 7160 since the August 14 report.
- ACTIVE cases of COVID-19 increased by 93 to 1,336 since the August 14 report.
- 55 residents are known to be in the hospital, as a result of contact investigations. Contact investigations have not been initiated on all reported cases.
- 5,118 people have clinically recovered.

Take steps to slow the spread of COVID-19 in our community.

- Consider staying home unless it is necessary to leave your home.
- Avoid groups of people.
- Practice social distancing.
- Wear a mask (if it is necessary to leave your home).
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.

Just a reminder, online registration is now available for COVID-19 testing through the MCPHD/MCHD voucher program. Click on "Need to be tested?" on mchd-tx.org or mcphd-tx.org and follow the instructions. The COVID-19 Call Center's number is 936-523-3916. It is open Monday-Friday 8:00am-4:30pm.

Montgomery County Public Health District's mission is promoting a healthy, resilient community through health education, disease prevention, clinical services, and emergency preparedness. For more information about the Montgomery County Public Health District please go to www.mcphd-tx.org.
