MOBILE FOOD MARKETS AVAILABLE IN MONTGOMERY COUNTY

MONTGOMERY COUNTY - Montgomery County Public Health District would like to spread the word about mobile food markets available in the county. Mobile markets are drive-thru food pantries providing food that meets basic nutritional needs, including fresh produce. Because they are drive-thru, those who participate should be sure to have an empty trunk or seat. A volunteer will visit your car to record basic household information. Cars will usually line up and will receive the food items on a first come, first serve basis. Quantities are limited.
